PURSUANT to the provisions of the “Civil Service Act, 1945,” His Honour the Lieutenant-Governor in Council has been pleased to approve the following regulations relative to the granting of vacation leave and special leave, made by the Civil Service Commission:—

Vacation leave other than that specifically authorized by the “Civil Service Act, 1945,” shall not be granted except on the approval of the Civil Service Commission.

Where it is considered in the interests of the Service to withhold vacation leave for any employee during any calendar year, such leave may, with the approval of the Commission, be carried over into the following calendar year; provided however, that not more than two periods of vacation leave shall be taken within any one calendar year.

Upon the completion of more than ten years of service, the Commission may grant vacation leave for a period not exceeding eighteen days, exclusive of Sundays and statutory holidays, such eighteen-day period to become operative only at such time as the employee ordinarily would be entitled to his eleventh annual vacation.

Except with the consent of the Deputy Minister, special leave shall not be allowed any employee unless the office concerned possesses the minimum staff requirements for the conduct of business.

Where circumstances require that special leave be granted immediately, such special leave with pay of not more than three days may be allowed at any one time, such leave to be supported by a certificate to be forwarded through the Deputy Minister to the Civil Service Commission for final approval. Special leave for longer periods must first receive the approval of the Civil Service Commission.

Vacation leave (in excess of that to which the employee is ordinarily entitled) and special leave may be granted without pay upon the recommendation of the Deputy Minister and with the approval of the Civil Service Commission.

Where an employee who has resigned from the Service returns, and his superannuation account is reinstated, he shall be credited with his former service when computing vacation leave.

For the purposes of computing vacation leave, Saturday shall be considered as a full working-day.

Where statutory holidays fall within any particular vacation-leave period, such statutory holidays shall not form part of the vacation leave.
